FALL 1914—SPRING 1915

Trade Price List 1920

Of Choice Young Nursery=Grown Ornamental
Trees, Vines, Perennial Plants and Bulbs

ATLANTIC NURSERY CO., Inc.

BERLIN, MARYLAND.

ANNOUNCEMENT TO THE TRADE,—

After a splendid growing season we are happy to inform you that we are on the job with as fine a lot of seedlings as you can find anywhere, and take pleasure in handing you this list. Init you will find attractive prices for carefully grown and strictly first-class stock that cannot fail to please. We have the soil, climate and experience to grow trees and bulbs to perfection; and the orders that we are getting prove the fact that we are on the right track. We are after encore orders, and they are coming our way.

Our seedling orders are filled direct from the ground—No Cellared or Stored Stock. You get your plants and trees fresh and alive. This means much to you. Think it over before buying from abroad. Early orders will please us, and you may rest assured we will do our best to please you.

Prices in this list abrogate previous quotations, and are subject to change without notice.

Prices in this list are for the trade only and are subject to stock being unsold when order is received. Orders are subject to loss by frost, hail or any other cause over which we have no control. Prices include careful packing in the best manner. Boxes and barrels at cost. 250 of a kind at the thousand rate. Special prices on large quantities. Send us your list of wants and we will gladly price them.

A CLEAN BILL OF HEALTH from the State Entomologist accompanies all orders. The greatest care is exercised to have and keep everything true to name and as represented. We will replace all that prove otherwise, or refund money paid for same. But in no case shall we be liable for a greater sum than originally paid.

TERMS cash, or satisfactory reference from unknown parties.

Visitors are always welcome and we will be pleased to show you our stock and our country and make your trip both pleasant and profitable to you, as well as to ourselves.

ROBERT J. SHOWELL, President.
